2022 Booklist

To help make sure the start of our Preppies education experience is a positive one the school offers to parents the picking and packing services of Aastat, ensuring students have the correct and quality stationery.

If you choose to buy the above items, specified by the teacher, please ensure they are of equal quality and **no novelty items please**. Some national retailer books are only 55gsm paper, not suited for learning to write, and they may not stock the line rulings required. Pencils that easily break, glue sticks that don't stick all waste learning time

To have Aastat pick & pack your list please :-
Return By 17th Dec. 2021 To School or Aastat

AASTAT provides a complete packing service supplying all stationery, text books, book covering & name labels. On lists, in by this date, Aastat will donate to the school's fundraising a percentage of sales * conditions apply

Aastat has proudly given back over \$500,000.00 to our local schools over the last 29 years
