2022 Booklist

To ensure students and teachers have a confident start to the year, with the correct and quality stationery, the school offers to parents the pick and pack services of Aastat.

If you choose to buy the above items, specified by the teacher, please ensure they are of equal quality and **no novelty items please**. Some national retailer books are only 55gsm paper, not suited for learning to write, and they may not stock the line rulings required. Pencils that easily break, glue sticks that don't stick all waste learning time.

To have Aastat pick & pack your list please :-
