Principal's Pen - Monica White

Dear Parents and Carers,

"How often do we get caught up in our own wants and needs, lose sight of the heart of the matter, and fail to embrace the true meaning of our lives in this world! Lent is a time of truth, a time to drop the masks we put on each day to appear perfect in the eyes of the world."

Pope Francis – Ash Wednesday homily in 2023

Lent is a time when we can take some moments to connect with Jesus again. This season asks us to pray a little more, give up something we really don't need and give to the more needy in our part of the world. It also gives us time to reflect on our lives and fix up the parts that may need a tweak. This is where Jesus can come in. Jesus will be beside us as we adventure through experiences, challenges and hardships. This gives us hope and strength to keep trying even when situations may be dire and there seems to be no one, but us, dealing with the situation. Jesus does not ask us to become someone we are not. It does mean we become good people who care and look after one another. The world is filled daily with sad news. Let's take the time to create good news stories and make Jesus real in our lives. Let's give Lent a fair go and allow Jesus to come into our lives as a source of strength and solace. It will make a difference!

Monica White

From the APRE – Laura Campbell

Greetings to our Families,

LENT

Today marks the beginning of the Church's season of Lent. We will receive ashes on our foreheads as a symbol of our intention to turn to God.

Lent is a 40-day season commencing on Ash Wednesday and ending at sundown on Holy Thursday. During this season Catholics are called to enter more deeply into the mystery of Jesus' suffering, death and Resurrection at Easter.

The season of Lent offers Catholics an opportunity to reflect on where they have failed to love God, their neighbour and themselves and to seek ways to heal what is broken. Alongside this reflection on how they are living their lives, Catholics commit more fully to prayer, fasting and almsgiving. (Catholic Australia)

Some examples of prayer, fasting and almsgiving that we share with the children can be seen below.

Project Compassion

During Lent, our school raises funds for Caritas Australia as part of our almsgiving commitment.

Each week a new story about how Caritas works to empower people across the world is provided. These stories can be shared with students to help them understand how we can be a powerful influence of love and kindness to people less fortunate than ourselves.

For more information about how you can be involved please visit the website. <https://www.caritas.org.au/>

Each family will receive a donation box to fill. This can be returned to your child's classroom donation box. At the end of the term, it will be collated and sent to Caritas.

Alternatively, you can donate funds directly to our school donation page via the website using the following link or use the QR Code:

Green Team

Earlier this week, Green Team members walked to the creek lying along the Walla St Parklands.

Their mission was to clean up any rubbish along the edges of the creek. We found 3 bags worth of rubbish ready to take to the tip!

With the help of Council Rangers we noticed that a lot of the rubbish was packaging, plastics and paper wrapping, but we even found a part of a bike!

By cleaning up this area, we are stopping any rubbish flowing down into the river and eventually into the ocean. As a Reef Guardian School and a Catholic Earth Care member, we are doing our bit to “Care for our common home”.

Have a blessed week,

Laura Campbell

Prep Enrolments 2026

Prep enrolments for 2026 are now open, with leadership currently conducting interviews. We kindly ask our existing families who will have a sibling attending Prep next year to **complete an enrolment form by 14 March 2025**.

NAPLAN 2025

The National Assessment Program – Literacy and Numeracy (NAPLAN) for our Year 3 and 5 students will be held **between Wednesday 12 March and finishes on Friday 14 March**. NAPLAN tests assess student knowledge and skills in Writing, Reading, Conventions of Language (spelling, grammar and punctuation) and Numeracy. The results of the tests provide information for students, parents, teachers and principals and can be used to improve student achievement.

Support can be arranged for students with special needs if the student regularly receives similar support/adjustments for classroom assessment tasks. Exemptions may be granted to students with significant needs. If your child is eligible for support due to their needs, you should discuss this with his/her teacher prior to the tests. Parental consent is required before any support or exemption is granted.

Later this year, you will receive your child's personal NAPLAN report. The report will describe your child's particular skills in Reading, Writing, Conventions of Language (spelling, grammar and punctuation) and Numeracy. The report will also show how your child performed in relation to national standards.
