7 Newsletter Term One Week 7

12 March 2025

Principal's Pen - Monica White

This week our Year Three and Five students are participating in the 2025 NAPLAN Online Tests. The whole school community has wished them good luck. While we do not support teaching to the tests, we have ensured that the students have practised the skills of how to take online tests, and I am confident that all our students are prepared and will do the best that they can when sitting these tests.

Kids take tests, learn new information, change schools, change neighbourhoods, get sick, get braces, encounter bullies, make new friends and occasionally get hurt by those friends. What helps kids in navigating these kinds of challenges is **resilience**. Resilient kids are problem solvers. They face unfamiliar or tough situations and strive to find good solutions.

As parents we need to remember that it isn't our job to be there all the time for our kids. It's our job to teach them to handle uncertainty and to problem-solve.

So, I have listed 10 tips for raising resilient children:

1. **Don't accommodate every need.**
2. **Avoid eliminating all risk.**
3. **Teach them to problem-solve.**
4. **Teach your kids concrete skills.**
5. **Avoid "why" questions.**
6. **Don't provide all the answers.**
7. **Avoid talking in catastrophic terms.**
8. **Let your kids make mistakes.**
9. **Help them manage their emotions.**
10. **Model resiliency.**

It is also essential for both students and parents to keep in mind that these tests are only a very tiny part of their overall assessment this year. The NAPLAN tests are **a point in time view** of a student's literacy and numeracy skills, our teachers are building a more complete picture of each student's abilities from a variety of work/assessment throughout the year. Also, as many Facebook posts are highlighting, NAPLAN tests cannot assess or show a child's individual gifts, what makes them unique and exceptional.

Monica White

From the APRE – Laura Campbell

Greetings to our Families,

Project Compassion

Each week a story from Caritas Australia is presented as a reminder of the Lenten journey we are on. This week the story explains how any donations can make an impact on a community.

If each of our families only donated \$5.00, we would be able to provide the following facilities for any of the people being supported by the funds raised in Project Compassion.

The infographic features a central vertical column of five purple donation amount boxes: \$200, \$150, \$100, \$35, and \$25. To the left and right of this column are six red-bordered boxes, each containing a small photograph and a text description of the impact of the corresponding donation amount.

Amount	Impact
\$200	Can help support people with disabilities with rehabilitation devices recommended by physiotherapists in Vietnam.
\$150	Can provide a household with funds needed to start their own business selling food products in the DRC.
\$100	Can provide water tank maintenance training so that people in Samoa can have sustainable access to clean, safe water.
\$35	Can provide hand sanitizer to increase hygiene and sanitation for community members in Samoa.
\$25	Can provide disability screenings and early intervention advice and procedures to 5 children in Vietnam.

Prayer

We pray for greater respect for the environment. May we care deeply for Earth, the place that God has entrusted to our care. May we celebrate the Year of Jubilee year as pilgrims of hope, ready to find the direction towards peace and justice that God wants for us. May we *Unite Against Poverty* as we grow in respect for all life.

Amen

I encourage each family to donate at the following link – St Joseph’s has their own site dedicated to Project Compassion.

<https://fundraise.projectcompassion.org.au/o/st-josephs-catholic-primary-school-bundaberg>

The banner has a teal background. On the left is a white circle containing a purple heart. To the right of the heart, the text reads: "St Joseph's Catholic Primary School - BUNDABERG". Below this, a white ribbon contains the text: "We're Uniting Against Poverty, as part of Project Compassion." Underneath the ribbon are four circular icons: Facebook, a crossed-out 'X', an envelope, and a link icon. At the bottom center is a white button with the text "JOIN YOUR SCHOOL".

Project Compassion donations.

St Joseph's BIG WALK FOR WATER

As our final Project Compassion activity for 2025, students from St Joseph's will participate in a 'Big Walk For Water Challenge' as a means of raising awareness of the plight of many children their own age around the world who don't have access to clean drinking water in their homes or villages.

Money, we raise will help provide access to clean water for some communities.

Did you know . . .

. . . that over 50% of the children currently in hospital around the world are there simply because they don't have access to clean water?

. . . that because they don't have taps in their houses, or even in their villages – some have to walk up to 7km each day just to find clean water?

. . . that every day these children are challenged to find clean water?

. . . that these children often can't go to school because they are either too busy collecting water, are too tired from collecting the water or too sick from drinking unclean water?

Today, we're challenging you to help.

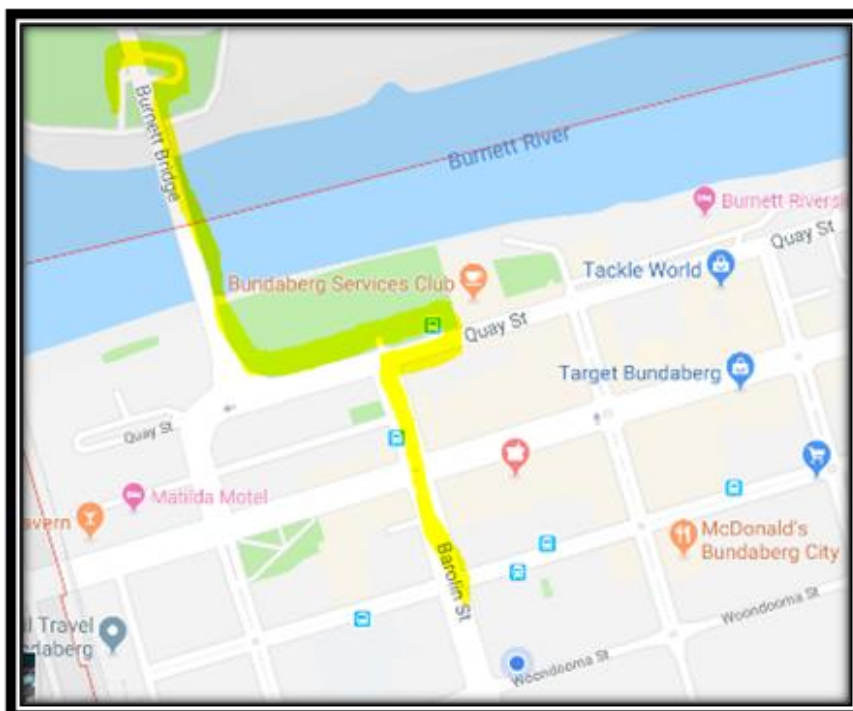

Join St Joseph's Catholic Primary School and carry your container of water on a 2 kilometre walk of solidarity with so many other children around the world. Experience a glimpse of what life is like for those not as lucky as we are.

Through your gold coin donation, you'll be helping raise money to help improve access to clean water for children around the world.

Our Plan

- Participants will carry a 1, 2 or 3 litre container to the Burnett River (under the old traffic bridge), fill it at a tap or ask an adult to fill it from the river, carry it back to school.
- We will walk on the route marked on the map below – all roads will be crossed at either a zebra crossing or at lights. We will use the pedestrian footpath across the bridge, turn right and continue along the path that will take us to the park under the bridge.
- Bring a gold coin donation to participate.

9am Friday 28th March 2025

Parents and other family members are welcome to join us on our walk.

Thank you in anticipation of your support of this very worthy experience.

Sacramental Program

We have some students and families at the school who are currently participating in this year's Parish Sacramental Program.

Please keep these students and families in your prayers as they prepare for the sacrament of Penance.

Have a blessed week,

Laura Campbell

Developmental Reading Assessment

Over the past weeks, Years 1 to 6 teachers have been assessing student reading. The tool that St Joseph's uses is called the Developmental Reading Assessment (DRA). DRAs are designed to be a classroom-based, informative reading assessment.

DRA assesses student reading achievement in engagement, oral reading fluency, and comprehension skills and strategies. It also provides teachers with information that helps them determine student independent reading levels. DRAs have been designed to scaffold real reading situations in which students are placed in daily. In this context, teachers can make objective decisions about student achievement based on observations and careful analysis of student responses using well-researched criteria.

The primary purposes of DRAs are to support our school and teachers in monitoring each individual student's reading growth. The reading assessment ensures that teachers know each student, their needs and the support they may require to encourage continual growth as a reader.

Developmental Reading Assessments are used in Term 1 and 3 to monitor and document changes in student achievements within a school year and across year levels. If you have any concerns or questions about your child's reading, please contact their teacher. You will also have a chance to speak to your child's teacher during Parent Teacher Meetings in Weeks 9 and 10.

Parent Teacher Meetings

Book through the Orbit App or Parent Lounge

Bookings open from

Prep Enrolment 2026

Prep enrolments for 2026 are now open, with leadership currently conducting interviews. We kindly ask our existing families who will have a sibling attending Prep next year to **complete an enrolment form by 14 March 2025**.

World's Greatest Shave – Oscar in Year 6

Hello,

My name is Oscar and I am in Year Six

I'm making a hairy sacrifice and joining the World's Greatest Shave!

Big or small, every donation counts to help beat blood cancer and I would love your support. You can help me make a difference by donating to my fundraising page.

<https://www.worldsgreatestshave.com/s/7916/8142/e>

Student of the Week

P Zander, for always being ready to learn, for remembering to raise your hand to speak and always tracking the speaker.

1 Not presented as their teacher was away

2 Seraphim and Tayla, for always working super hard and putting your best effort into everything you do. Well done, superstar!

3 Delilah, for your commitment and passion to your learning. You show incredible listening, and this shines through in your work and in activities. Keep it up!

4 Allyssa, for her effort and application to all tasks! Great work!

Thomas, for working hard to improve in reading comprehension. Well Done!

5 Henry, for being consistently respectful and leading by example in class discussions.

Vin, for being an active learner who asks questions and uses feedback to help his learning!

6 Kiana, for being a passionate learner who asks insightful questions, uses feedback and takes on a challenge. You're a star!

Shout Outs

The Whole School For being an amazing place to work each day. When life is busy, and people are upset everyone pulls together to help each other out. You are a shining example of Jesus in the world today.

Jimmy For being a responsible and kind brother. You helped your sister when she needed help with her lunch box without being asked to.

Lizzy For always looking after our Prep Classroom and tidying up even when it isn't your mess. You are just like Mary McKillop - you ever see a need without doing something about it.

Shilo For showing courage like Mary of the Cross MacKillop when you stick up for others when people are being unkind.

Zahli Received from Theo for asking a friend if they were okay when they were sitting alone.

Year 5 Received from Theo for spending time with the elders when they visited Gracie Dixon

Josh Received from Theo for always being a good friend.

Leadership Team Received from Theo for setting up all the events during Rare Disease Week.

HOPE EMPOWER RESILIENCE ENABLE

Youth Program

The **HERE** Program supports young people up to 18 years old by providing early intervention and non-clinical psychosocial mental health support. Our mission is to empower individuals at risk of disconnection due to mental health challenges.

The program focuses on building **HOPE, EMPOWERMENT, RESILIENCE & ENABLING** our youth. Our Youth Workers do this by offering flexible assistance for three months or extended support for up to twelve months. Referrals are through the **IMPACT** Community Services website. The program serves the Bundaberg, Fraser Coast, Wide Bay, and Discovery Coast regions.

Proudly supported by Queensland Government

At St Joseph's Catholic Primary
School Bundaberg, we
acknowledge The Taribelang-
Bunda, Gooreng Gooreng, Gurang
and The Bailai Peoples as the
Traditional Custodians of the Lands
upon which we meet.

We pay our respects to the Elders
of the past, present and emerging
and acknowledge their spiritual
connection to Country.

For we too are one in Land, one in
spirit, one in faith united in God's
love.
