## From the APRE – Laura Campbell

Greetings to our Families,

### PENTECOST

This Sunday is Pentecost Sunday, when we celebrate the coming of the Holy Spirit upon the Apostles. The Spirit gave them the gifts they needed to spread Jesus' message to everyone they met. We ask that those same gifts fill our hearts so that, through our words and actions, we may be shining examples of Jesus' love, bringing hope to the world.

The word "[Pentecost](#)" comes from the Greek word *pentekoste*, meaning "fiftieth" (as derived from the root word *pente*, which means five). Accordingly, the Christian Pentecost is celebrated 50 days after Easter. It is the feast that marks the end of the Easter season — and the official beginning of the Church.

The symbols of Pentecost are flame, wind, and the dove, which represent the Holy Spirit. The colour of Pentecost is red, and the priest wears red vestments on this day. Parishioners are also invited to wear red, and red decorations are encouraged, similar to a birthday celebration.

Overall, Pentecost Sunday holds great significance for us Catholics as a reminder of the ongoing presence and guidance of the Holy Spirit in the life of the Church and as individuals.

### **Come Holy Spirit**

Come Holy Spirit

Come Spirit like rain, refresh, renew, revitalise.

Come Spirit like fire, embolden, enlighten, enable.

Come Spirit like a mighty wind, move, challenge, enkindle.

Come Spirit like wave, move, tear down, lift up.

Come Spirit, come Breath, draw us close, make song, bring intimacy.

Come Spirit, come Love, make one, make justice, make peace.

Come Spirit, come Kingdom, come Love.

*Prayer: Martin Brown/CAFOD*

### *Team Set to Compete in the Readers Cup Challenge!*

Tomorrow, our Year 5/6 team will travel to **Hervey Bay** to compete against schools from the Wide Bay region in the **Readers Cup Challenge**, a prestigious event hosted by the Children's Book Council of Australia – Queensland Branch.

Readers Cup is a state-wide competition that encourages students to read widely, collaborate in teams, and develop a lifelong love of literature. Similar to sporting competitions, students compete at both regional and state levels, challenging themselves while engaging with peers who share a passion for books.

Teams read a specially selected set of books and then compete by answering quiz questions based on their reading. Winners from regional rounds advance to the state final for a chance to showcase their knowledge.

The books chosen for this year's competition include:

- *The Way of Dog* – Zana Fraillon
- *The Kindness Project* – Debra Abela
- *The Lost Library* – Rebecca Stead
- *Scar Town* – Tristan Bancks
- *The Best Witch in Paris* – Lauren Crozier

We extend our best wishes to **Robb, Khyra, Jimmy, Hunter, and Zac** as they represent our school in this exciting challenge. We eagerly await their stories and reflections upon their return.

A heartfelt thank you to **Mrs Lankowski and Mrs Roelofs** for their dedication in coordinating this event.

Best of luck, team—we're cheering for you!

### **Reminder: 2025 Premier's Reading Challenge**

All **St Joseph's students** are taking part in the **2025 Premier's Reading Challenge (PRC)**, running from **6th May to 22nd August!** **Reading Record Forms** have been sent home—make sure to track your child's progress!

## The NCCD – What do I need to know as a parent?

The Nationally Consistent Collection of Data on School Students with Disability (NCCD) is a yearly count of students by all Australian schools across the country. The aim of the NCCD is to provide the Australian Government with information about the number of students with disability in Australian schools and the type of adjustments they need in order to access and participate in education on the same basis as other students. From 2018, the NCCD has been used by the Australian Government to inform funding for schools, known as the 'student with disability loading'.

If you are a parent, guardian or carer of a child with disability who requires ongoing adjustments at school, a teacher or another school staff member will consult with you to understand your child's needs. This collaborative approach ensures the most appropriate adjustments are chosen to support your child's learning and participation at school. In some cases, an individual education plan (IEP) or personal learning plan (PLP) may be developed to document specific educational goals and to review your child's progress over time.

Your child will be included in the NCCD if they require ongoing adjustments at school due to a disability as defined by the [Disability Discrimination Act 1992](#). This is a very broad definition of disability, which includes physical and intellectual disabilities, learning disorders such as dyslexia and dysgraphia, and mental health conditions such as anxiety and depression. The Disability Standards for Education 2005 set out the obligations of schools towards students with disability. Under the 2020 NCCD Guidelines every effort should be made to inform parents/guardians/carers that a student has been included in the NCCD. Where this is not possible, the reasons should be documented.

If your child has a disability, your child's school will provide information about them for the NCCD, including:

- your child's year of schooling
- the category of disability that best describes your child's difficulties (one of four categories is chosen by the school team to reflect your child's greatest area of need: physical, cognitive, sensory or social/emotional)
- the level of adjustment your child receives at school (one of four levels is chosen by the school team to reflect the type of support your child requires: quality differentiated teaching practice, supplementary adjustment, substantial adjustment, or extensive adjustment).

The information collected by schools for the NCCD will ultimately be provided to the Australian Government Department of Education.

While it is not possible for schools or families to 'opt out' of the NCCD, the privacy and confidentiality of all students and their families is treated with utmost importance. Data is collected within each school, and personal details, such as student names and other identifying information, are not provided to local or federal education authorities.
